

Annual report

Annual report for the year ended 31 December 2018

Details of scheme

This annual report has been prepared for UniSaver New Zealand (scheme) for the year ended 31 December 2018. The manager and trustee of the scheme is UniSaver Limited (trustee, we, or us).

The scheme is a registered restricted workplace savings scheme.

The latest PDS for the scheme is dated 1 February 2018, and is open for applications.

The latest fund updates for each of the funds in the scheme for the year ended 31 December 2018 were made publicly available on 29 March 2019.

The latest financial statements for the scheme dated 22 March 2019 and the auditor's report on those financial statements was lodged with the Registrar of Financial Service Providers on 29 March 2019. The financial statements and auditor's report are available on the offer register and the scheme register at www.disclose-register.companiesoffice.govt.nz and at unisaver.co.nz.

Total contributions	\$87,260,792	18,283

Changes relating to the scheme

The following material changes have occurred during the year ended 31 December 2018. On 1 February 2018, the scheme's:

- trust deed was amended to allow UniSteps to become the scheme's default investment option.
- statement of investment policy and objectives was updated to introduce two new asset classes – global listed infrastructure (hedged) and global high yield (hedged), with the target asset allocations of Growth, Balanced, and Conservative changing as a result.

Apart from the above changes, no other material changes have occurred during the year ended 31 December 2018.

All related party transactions entered into during the period were on arm's length terms.

Other information for particular types of managed funds

During the period, the following withdrawals were made from the scheme:

Withdrawal type	Total number of members who made the relevant withdrawal
Retirement	85
Leaving service	352
Death	13
First-home withdrawal	52
Permanent emigration	5
Other partial withdrawals	461
Total withdrawals	968

As at the end of the period, we applied the following crediting rates to the members' balances for the respective investment options:

Fund	Crediting rate for the period to 31 December 2018
Growth	(6.42%)
Balanced	(4.08%)
Conservative	(0.47%)
Cash	1.69%
UniSteps (age 49)	(5.30%)
UniSteps (age 54)	(4.18%)
UniSteps (age 59)	(2.96%)
UniSteps (age 64)	(1.69%)

The returns information for UniSteps is based on the returns from the base investment options applicable at the ages shown.

UniSaver Limited, as manager and trustee of the scheme, confirms:

- all the contributions required to be made to the scheme in accordance with the trust deed have been made
- all the benefits required to be paid from the scheme in accordance with the terms of the trust deed and the KiwiSaver scheme rules have been paid
- the market value of the scheme property at the balance date equalled or exceeded the total value of benefits that would have been payable had all members of the scheme ceased to be members at that date and had provision been made for the continued payment of all benefits being paid to members and other beneficiaries as at the balance date.

The locked section is a complying superannuation fund. It offers member tax credits from the Crown in exchange for locking in contributions in the same way as KiwiSaver. The information in the table below relates only to the locked section.

Information about the locked section	Number/value
The market value of the assets subject to the complying fund rules	\$257,457,674
The number of members to which the assets relate	5,832
The value of withdrawals subject to the complying fund rules	\$8,245,615
