Member to complete

I have permanently emigrated from New Zealand as evidenced by the completed statutory declaration on page 2 and wish to apply to the trustee to withdraw the balances in my locked accounts (excluding government contributions).

I understand that:

- withdrawal of my locked account balances in the case of permanent emigration is subject to the trustee’s approval
• I may only apply for a withdrawal 1 year after the date of my permanent emigration from New Zealand
• before my application can be approved, I am required to:
• complete the statutory declaration contained in this form
• provide proof of the date I left New Zealand (such as copies of airline tickets/passport or other documentation showing departure)
• provide documentary evidence of my overseas residential address (e.g. utility bill, bank statement).

I confirm that I have permanently emigrated from New Zealand and have been a resident in:

Country since (DD/MM/YYYY)

I understand that my withdrawal will be paid by direct credit to a New Zealand bank account.

Attach a deposit slip or bank statement. You may request that your withdrawal is paid to an overseas bank account, but the confirmation of identity requirements are more onerous and time consuming.

I acknowledge that, once payment of the total balances of my member standard and employer standard accounts and my locked accounts is made, I will have received full rights in accordance with UniSaver’s trust deed and have no further claims against the trustee.

Signed (MEMBER) Date (DD/MM/YYYY)
